Carissimi Clienti,

A 80 anni dalla nostra fondazione, ci presentiamo oggi in una rinnovata veste, più attuale e colorata. La Novaresi, sin dalla sua fondazione nel lontano 1944, si è sempre contraddistinta per la capacità di ri-immaginare il classico, proponendolo con chiavi di lettura originali e nuove, con prodotti dall'incredibile capacità di adattarsi ad ogni ambiente, dal più tradizionale al più moderno.

Forti della nostra storia e delle nostre origini, è adesso il momento per guardare al futuro con entusiasmo e ottimismo, con un'attenzione particolare agli importanti temi e sfide dei giorni nostri, con lo sviluppo dell'utilizzo dei più recenti programmi di progettazione e con una comunicazione più social e tecnologica. In un presente camaleontico come quello in cui siamo chiamati oggi ad operare e relazionarci, *guardare il mondo con occhi nuovi*, senza perdere di vista il proprio passato, è il segreto per adattarsi e risplendere: questo è quello in cui crediamo ed è anche ciò che Vi auguriamo, nel lavoro come nella vita!

Dear Customers,

80 years after our foundation, we present ourselves today in a renewed, more current and colorful guise. Since its foundation in 1944, Novaresi has always stood out for its ability to revisit the Classic, proposing it with an original and new interpretations, using products with an incredible ability to adapt to any setting, from the most traditional to more modern. Due to our strong history and traditions we are looking forward to the future with enthusiasm and optimism, paying particular attention to the important issues and challenges of our days, working with the most recent design programs and up to date social and technological communication. In a chameleonic present like the one in which we are called to operate and relate today, *looking the world with fresh eyes*, without losing sight of the past, is the secret to adapting and shining: this is what our belief and it's also what we wish you All, at work and in life!
