HISTORY.

PATAVIUMART, FIFTY YEARS OF PASSIONATE CRAFTSMANSHIP.

Pataviumart was established in 1959. Located in one of the oldest cities in the North of Italy, Padua (Patavium in latin), the company produces decorative luxury lighting of a magnificent design, designed and created by Simonetta Gomiero. With her artistic training and a natural taste for beauty, Simonetta confidently adds her personal touch to the business, introducing lighting ideas that go beyond all stereotypes.

Murano glass, crystal, alabaster, different kinds of marble, precious stones, river pearls, elegant fabrics are part of the firm's designs. Contrasting, bright and sparkling colours are combined and styles reinvented, with new, innovative and exciting effects. Chandeliers, table lamps, standard lamps, overhead lights and wall lamps are produced with an unique design, providing a beautiful interpretation of light and colour. The resulting products are captivating, exciting, capable of rousing stunning feelings and implacable enthusiasm.

Primary materials are selected with accuracy in the whole Italian area, selecting the best suppliers in Florence (brass & crystal), Murano (glass), Naples (porcelain) and Vicenza (precious stones). All the manufacture processes – e.g. production of blown glass, application of foil, creation of shades - are exclusively made by hand with ancient techniques, used since ages from Italian artisans. The result is that all the products are designed, created, produced and assembled in Italy, what we are very proud of.

The style of Pataviumart is highly recognizable for its particular design, ideal for both classical and modern spaces to be fitted.
