EXPERIENCE

MADE IN ITALY

Siamo onorati che abbiate scelto di sfogliare il nostro catalogo, nella speranza che possiate trovare al suo interno spunti di interesse e ispirazione, così come noi siamo costantemente motivati e sollecitati dalla nostra creatività.

We are honored you chose to open our catalogue, we do hope you enjoy it and find things within it to interest and inspire you, just as we are constantly energized and driven by our creativity.

resina termosensibile - thermo-sensitive resin

La Resinatura TermoSensibile è una resina particolare che riesce a cambiare immediatamente colore nel momento in cui viene messa a contatto con una fonte di calore, per poi tornare al colore iniziale non appena la fonte di calore viene allontanata

The thermo-sensitive resin is a special material that, in contact with a heating source, changes to transparent, going back to its original hue as soon as the heating effect ends.

Ogni prodotto Italamp è corredato di una documentazione contenente tra l'altro il certificato di autenticità e la scheda di collaudo. In caso di reclamo il cliente dovrà sempre fornire copia della scheda. Sulla scheda sono contenute anche le istruzioni per un corretto montaggio dell'articolo.

Italamp non risponde per eventuali danni a persone o cose causati da una non corretta installazione dei propri apparecchi di illuminazione, da un uso di lampadine non conformi e dalla modificazione delle caratteristiche tecnico costruttive.

La ditta si riserva di apportare ai modelli ogni modifica estetica e tecnica che a suo insindacabile giudizio ritenga necessaria.

I nostri modelli non sono forniti di lampadine.

Il marchio **CE** è un marchio europeo di garanzia che certifica la qualità del prodotto e la sua rispondenza ai parametri di sicurezza previsti dalle normative CEE.

Italamp può fornire per la quasi totalità dei suoi articoli la certificazione con marchio UL. In tutto il mondo UL testa prodotti secondo i requisiti di sicurezza statunitensi per un accesso sicuro ovunque nel Nord America.

UNI EN ISO 9001/2008 certifica in maniera stabile l'alta qualità e la grande affidabilità di tutti i processi produttivi aziendali della produzione Italamp.

Italamp è un marchio registrato. Tutti i nostri modelli sono depositati e quindi coperti da brevetto.

Questo catalogo è tutelato dalla legge sui diritti d'autore (legge 22/4/1941 n°633 e dalla legge 14/12/1942 n°1485).

Each item is equipped with its own documentation including a certificate of authenticity and a card with instructions for quality control inspections. In case of complaint the customer should send us a copy of this card, which also contains instructions for correct assembling of the fixture.

Italamp is not liable for incidental injuries or damage to people or things due to: incorrect installation of the fixtures, use of not suitable bulbs, modification of the original technical features of the items.

The company has the right to modify any model for both aesthetic and technical features when necessary, according to Italamp's unquestionable judgement.

Our models are not provided with bulbs.

The **CE** label is a European guaranteed mark. It certifies product quality and its compliance with the safety standards stated by EEC regulations.

Italamp can provide for most of its products the UL certification. Worldwide, UL tests products according to U.S. safety requirements for secure access anywhere in north U.S.

UNI EN ISO 9001/2008 steadily certifies the high quality and the great reliability of all Italamp production processes.
