FLORENZ'LAMP

Siamo lieti di presentare questo catalogo che è l'aggiornamento della nostra produzione.

Essa è frutto di una lunga esperienza ispirata allo stile delle epoche più celebri. È indirizzato a tutte le persone che non amano i prodotti in serie, ma che, nelle loro scelte, cercano qualcosa di unico e personale.

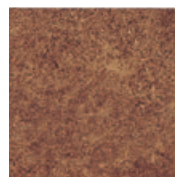

We are proud to present this catalogue which includes all of our newest product lines.

Inspired by styles of the most celebrated eras, this catalogue is for people who do not want mass made products, but who are looking for something more personal, when making their choice.
